

Summer Education Innovation Centers

Summer Education Innovation Centers are presented by the Sacramento County Office of Education. This is a safe place for students to feel welcomed back to school. Sessions will be in person. We will follow all County and District social distancing guidelines. Center Options include Integrated Hands On Experiences such as: Arts, Coding, Outdoor Education, Physical Activities and Science Experiments!

** Students can attend one week, or ALL weeks **

** Students can attend morning sessions or all day !**
